The face value of any GB and Channel Isles decimal lots, being the whole or part of the lot, (except Glory Boxes) should be stated by the Vendor. T & T Auctions reserve the right to charge for valuation of large collections, e.g. Executor sales. From September 2010 there is an administrative charge of £2 for every entry in every catalogue.

T&T Auctions reserve the right to amend any description which is misleading or fails to disclose any defects which may affect the value of the lot and to amend the Reserve accordingly

The minimum reserve accepted from Vendors will be £15, any lot which is not to this value will be entered at No Reserve and T&T Auctions Ltd will accept a minimum bid of £3 for such lots to secure sales for Vendors. T&T Auctions Ltd reserve the right to refuse any lot which in our opinion is of insufficient value or to combine the same to make one lot of sufficient value. Items refused will be returned at Vendors expense.

All unsold lots left with T&T will be entered for three consecutive auctions, at lower reserves of at least 10% less for second and third entries each time, after which it is the Vendor's responsibility to give T&T instructions regarding disposal. Lots appearing for the first time at £15 will be entered in the following two auctions at £10 and £5 respectively. Unsold lots entered a second time are identified by one *, unsold lots entered for a third and final time are identified by **

Vendors wishing to have unsold lots returned should collect them, or notify T&T Auctions Ltd, within ten days after each auction. Any unsold lots returned by post may incur postage. Any unsold lots not collected in due time will be disposed of at the discretion of T&T Auctions to defray administrative costs. Auction lots left for valuation and which remain with us for longer than 6 months will be disposed of at the company's discretion.

Vendors will be paid as soon as is practicable and not before 40 working days

(This allows for all revenue to be collected). Whilst every effort is made regarding security of items left with T&T Auctions, no guarantee can be given in respect of expensive or high catalogue items in general or one country collections unless itemised in the description
