From 2020 we will be running Public/Postal Auctions with the sale live on the auction platform Easylive, we will be accepting bids via email and post as normal. Easylive is a very straightforward and easy platform to use, we encourage you to try it even if you've never bid online before. You can bid online by following these four simple steps....

- 1 Find us at <https://www.easyliveauction.com/auctioneers/tandtauctions/>
- 2 Click on 'Create Account' fill in your personal details to create an account
- 3 Click 'Register to bid' on your chosen Auction and then choose to pay the £3 flat fee or 3% commission, the former often being the most cost effective for the buyer and significantly cheaper than other auction platforms. We recommend you register your intent to bid in advance of the auction day if you have never used the site before, to make sure you have enough time to complete the process before the auction starts. You will then be sent an email conformation of your registration
- 4 On the auction day a 'Watch Live' button will appear where you can follow the auction, watch our auctioneer live and place your bids

Please note that from 24th July 2020 all customers will be required to wear a mask/face covering when in attendance at our premises. Please make sure you bring one with you as failure to wear one will unfortunately result in access being denied

Hand sanitiser is available for use during your visit and will be provided at the entrance to the viewing hall. Temperatures will be checked at this time with our infra-red thermometer, and if you feel unwell please stay at home.

Attendance is strictly by prior appointment as we only have three spaces due to observing social distancing. Clients will be asked to remain at their tables during their viewing and all lots will be supplied to them by members of staff

The viewing tables will be cleaned between each appointment, so timings must be adhered to, to allow us to complete this important process. We have built in a 15 minute gap between each appointment to accommodate this.
