"VIA BLOEMFONTEIN"
THE NATAL-CAPE OVERLAND ROUTE

England via Bloemfontein
To
Mr Diamond
50, Linster Gardens
Hyde Park
London

LETTERS

Until August 1896, letter mail sent on the overland *Via Bloemfontein* route to the UK was subject to a rate of 4½d per half ounce, this comprising the current 2½d rate from Natal plus a transit fee of 2d, to be paid "to meet the claims of the Free State Post Office for conveyance over their [railway] line." Natal, at the time of this letter, had become an effective member of the UPU and so the Cape Post Office element of the claim no longer applied.

An early letter *Via Bloemfontein*, with the normal 2½d rate augmented by an extra 2d, making up the 4½d rate *Via Bloemfontein*.

From Pietermaritzburg, postmarked G.P.O. NATAL 15 NO 92, to England.

The London arrival, on reverse, is DE 19 92.

The envelope contains its original letter, which is from an officer, just arrived in Natal from India, describing the manner of the death of the addressee's son from cholera.

Use was made of the *Via Bloemfontein* route to hasten the sad news.
